"PERFECT WOMAN" REAL SENSATION

Home Is Stormed by Visitors Seeking Pictures and Interviews.

HER FAMILY STUNNED Can't Understand Sudden Notoriety Achieved by Miss Scheel.

(Special to The Times-Dispatch.) New York, December 22.—While Miss Elsie Scheel, formerly of Brooklyn, the Cornell co-ed, who comes so close to being "the perfect woman," according to the measurements of Dr. Esther Parker, Cornell's medical examiner of women, was hurrying to her home in the Rose Mayr section of Allwood, near Passaic, to spend the Christmas holidays, her sudden fame was so many jumps ahead of her that she found her mother, father, two big brothers and her younger sister had to call a halt upon the invasion of inquisitive folk, who all day long had been storming the big house on the hill to learn at first hand "how she did it."

Why, gasped Dr. Sophie Scheel, mother of the co-ed, to visitors looking for pictures and interviews, who showed no sign of let-up at nightfall, "I was simply stunned over all this notoriety about Elsie. I can't understand it."

Neither could Elsie's father, John H. Scheel, a broker and exporter, who until a month ago lived in Brooklyn, or until he removed his family out to the big residence on the Allwood Hills. And as for big brothers John, Jr., and Henry, the smiles and pride over Dr. Parker's statements about their sister began to fade even before nightfall. By dusk big brothers John, Jr., and Henry were beginning to show irritation.

"Why, no, of course, Elsie never did any systematic 'training'—any view of trying to attain a perfect figure," said Miss Elsie's mother to-day. "The simple life is the whole key to physical development. Normal eating of good, commonsense food and love of outdoor exercise has been her only training."

"Broad, butter and beefsteak" was the mother's smiling answer to another question about Miss Scheel's usual choice of foods. "She rarely eats any breakfasts for one thing. She takes her only substantial meals of the day at noon and at 6 o'clock in the evening."

"My children," Dr. Scheel continued, "all like outdoor games and take a good deal of open-air exercise. Elsie is especially fond of playing basketball, and excels at that game. In the summer she sells a few summer dresses, and she rides, drives and motors."

jimmy pipe joy

PRINCE ALBERT the national joy smoke

For an honest-to-goodness smoke—any kind of weather, any time, anywhere—you get a Jimmy pipe and some Prince Albert and make fire with a match!

No matter what gait you're traveling or what's on your mind, for the long pull and the cool pull and the joy pull, why, you get right down to the original idea—a Jimmy pipe—and just jam it full of P. A. and there you are, all right side up with the world! Do that!

Prince Albert's got tobacco substance and gives tobacco satisfaction. It isn't a lot of chaff! On the train, in your auto, anywhere, it's your pipe smoke, because it's fresh, and sweet, and delicious, and can't burn your tongue or parch your throat! Bite's taken out by the famous patented process that has made pipe smokers and men who couldn't smoke a pipe before sit up and make some mental notes!

Another alongside this: When it comes to a cigarette smoke, P. A. is king of 'em all. You get wise to a package of P. A. and makin' papers and go to it while the going's good. It's a sure-thing bet you'll get the spirit of P. A.'s freshness, fragrance and sweetness.

Take it straight, P. A. is a revelation. Give it a crack—you'll forget that broiled tongue and the fire-brands and the dust-brands,
